Final project Le wagon Bootcamp
2023

👤 PROFILE

I am a highly motivated professional with a strong interest in software development. I am excited to embark on a junior software developer role, where I can apply my skills and knowledge to help create effective software solutions. I am dedicated to ongoing learning and thrive in a dynamic, team-oriented setting that promotes both personal and professional growth and encourages creative problem-solving.

📁 PROFESSIONAL EXPERIENCE

International Institute of Tropical Agriculture (IITA)
Research Associate

01/2021 – 11/2022 | Nairobi, Kenya

- Managed and tracked the project budget, ensuring accurate and timely financial reporting.
- Monitored project progress with Smartsheet and ensured the timely completion of deliverables by the team.
- Analyzed key project metrics, providing valuable insights to stakeholders on a monthly basis.
- Coordinated activities for different projects.
- Supported project administration tasks, including technical reporting, meeting management, and documentation, using Microsoft tools.
- Shared budgets and spending information with team leads on a monthly basis.
- Provided guidance and support to a team of two interns, ensuring accurate and timely reporting of their tasks.

International Institute of Tropical Agriculture (IITA) ✍
Project management and communication consultant

03/2020 – 12/2020 | Nairobi, Kenya

- Managed WordPress website for one project with a focus on delivering professional presentations and compelling content.
- Managed social media platforms for two projects, efficiently curating and managing content.
- Worked collaboratively with communication specialists to drive impactful social media engagement.
